[Family Talk Table Game](#) (\$13)

Worried about a lull in the conversation at the table this holiday season? Let Family Talk Table Games be your guide. These portable clips hold 100 cards, each asking a question sure to spark some real conversation among the family. Keep them at home for some fun Friday night chatter, or utilize the convenient clip for those times when you really need something to entertain, such as when you are at the airport for your travels this holiday season. *See [giveaway](#).*
