As you know I am a great believer in families sitting round the table regularly talking, laughing or playing and I even tried to contact Jamie Oliver about a game I wanted to create to no avail ..... yet..... sooooo imagine my excitement today when I have discovered ....

**[Around the Table Games](#) –**

**Questions to get the whole family talking!**

**Family Talk takes the dinner table discussions with you wherever you go!**

**This amazing fun, portable conversation game keeps today's busy families connected and it's got a 100 new and exciting question cards attached to round carabiner clip for use anywhere – at home, at a restaurant, in the car, on holiday.**

**The questions that get the whole family talking – even hard-to-talk-to Teens! And I love the fact that they are portable, thought provoking, and great fun! The questions can be from toddler to teen and I think they are inspirational!**
